

ALTRE CAMI

Altres Cami...un autre chemin... une autre vision.
Ce projet est né de la volonté de mettre en avant nos
plus belles parcelles du Roussillon et d'exprimer
nos terroirs Catalans.

*Altres Cami ... another path ... another vision. This
project was born of the desire to elevate our beautiful
vineyards of the Roussillon and to celebrate the
Catalan heritage of the terroirs.*

Notes de dégustation / Tasting Notes

La robe jaune or brillante et intense. Le nez, très
expressif, mêle des arômes de fruits jaunes mûrs et
juteux à de délicates notes de brioche et de beurre
salé. Une pointe de fenouil frais apporte une
fraîcheur bienvenue à ce bouquet gourmand. En
bouche, l'attaque est ample et généreuse, portée par
le fruit et subtilement relevée par des saveurs de
gousse de vanille fraîche. Le milieu de bouche séduit
par son élégance et sa profondeur. La finale,
étonnante, s'étire longuement sur des accents de
poivre blanc et une minéralité crayeuse presque
tannique, rehaussée par de belles touches salines.

*A bright, intense golden yellow colour. The nose is very
expressive, combining aromas of ripe, juicy yellow fruit
with delicate notes of brioche and salted butter. A hint
of fresh fennel brings a welcome freshness to this
indulgent bouquet. On the palate, the attack is full and
generous, carried by fruit and subtly enhanced by
flavours of fresh vanilla pods. The mid-palate seduces
with its elegance and depth. The surprising finish
lingers long on accents of white pepper and an almost
tannic chalky minerality, enhanced by beautiful saline
touches.*

Commentaires / Comments

*"Crafted from vines planted on clay and limestone soils,
the 2022 Altres Cami Grenache Gris offers charm and
tension, evoking aromas of pear, mint, spices and spring
flowers in a delicately reduced bouquet that's followed by
a moderately weighted, round and juicy wine with an
incisive, mouthwatering finish." 92/100 Robert Parker
(YC), May 2025, Altres Cami Grenache Gris 2022*

*"A succulent, precise and well-composed grenache gris with
aromas of spiced apples, butter biscuits, cinnamon and warm
wheat. It's medium-bodied with a bright and lively center-
palate. Plenty of drive and tension here, with a solid frame
shaping the refreshing core of lemons and herbs. Vivid and
flavorful finish with excellent length.(...)" 93/100 James
Suckling, June 2024, En Passant Rouge 2021*

*"(...)aromas of ripe pear, herbs and spices combined with a
flinty character. It is medium to full-bodied, tense and
generous, with a juicy mid-palate and a phenolic, saline finish."
